Coaching is our Love Language.

WE LOVE WHAT WE DO

We love what we do because every day presents an opportunity to make a meaningful impact on individuals and organizations. Our passion for coaching executive clients and driving leadership development stems from a genuine belief in the transformative power of insightful guidance and skillful mentorship. By fostering a collaborative and growth-oriented environment, we empower leaders to unlock their full potential. The joy we derive from witnessing personal and professional breakthroughs is the driving force behind our commitment to excellence. In each coaching session and leadership development initiative, we relish the chance to contribute to the success stories of those we have the privilege to work with.

Nestled at the core of our passion for Executive ICF Coaching is the extraordinary journey led by PH. D candidate, and Chief Coach Jacquelleen, affectionately known as the "Career Doctor," and her dynamic team of coaching partners. Jacquelleen, with her unparalleled expertise and intuitive coaching acumen, takes the helm, guiding individual leaders, professional groups, and corporations through a transformative process. Her commitment to excellence is mirrored by her team, a group of dedicated coaching partners who bring diverse perspectives and specialized skills to the table. Together, they create a synergistic force that elevates leadership to unprecedented heights.

Jacquelleen's coaching is a personalized experience, a tailored prescription for success, meticulously designed to address the unique needs of each individual and team. As the Career Doctor, she diagnoses challenges, prescribes solutions, and administers a potent blend of inspiration and strategic guidance. Her team, like trusted allies, complements her efforts, ensuring a comprehensive and holistic approach to leadership development.

"Jacqueleen is an AMAZING mentor and coach. Her knowledge about career strategy and the corporate landscape is among the best. With her guidance, I made a shift in my professional career and I know it could NOT have been done without her. Grade A service!"

Digital Product Manager

"As a DEI executive leader and attorney in the pharmaceutical/ healthcare industry, I found Crittle's knowledge, expertise and passion for HR, DEI and justice extremely valuable as we worked to identify organizations with the right corporate culture and mission where I could thrive and reach my career goals. I highly recommend the Career Coach!"

SVP, DEI & Head of Employee Strategy & Accountability

WHAT OUR CLIENTS SAY

I worked with Jacqui for about 3 months, and she helped me prepare for a critical career transition and launch point to the c-suite. Through her coaching and leadership, I developed critical leadership conversation outlines, 3-month and 6-month plans, preparation to step in to new teams, and she helped build my confidence to be ready for this role. Jacqui provided the accountability and honesty I needed, and advocated for me throughout our entire time together. I highly recommend working with her for any stage in your leadership journey! She is genuine, effective, committed, and growth-oriented.

SVP Strategy Growth & Marketing

Jacquelleen is the ideal partner for self-transformation. She is direct, empathetic, and pragmatic in her coaching. Her ability to bring her experiences to bear is a huge benefit; they are such a plus. Very few people can create positive momentum, Jacquelleen can create that in spades.

Chief Information & Data Officer

I heard rave reviews; what I found was much more; a phenomenal coach that allowed me to stay at the forefront of my career goals. The Career Doc is attentive and wise in all things career related.

VP Talent Management

A Message from the CEO

I believe that empowering others to embrace their passion, discover their purpose, and unleash their superpowers is the key to unlocking a world of limitless potential.

Jacquelleen Crittle

MS, LSS, ACC

Jacquelleen, a PhD candidate in Organizational Leadership, is an Award-Winning Executive Coach, Group Coach, Nonprofit Leader, and Best-Selling Author. Thriving as a change catalyst, she leverages her coaching expertise and corporate partnerships to drive individual and organizational excellence. Jacquelleen excels in accelerating the delivery of transformative solutions through her rich background in coaching 730 executives and training hundreds of corporate leaders.

As we navigate the currents of an ever-shifting economy and a dynamic job market, I am invigorated by the challenges that lie ahead. In the face of volatility, our commitment to empowering individuals to not only weather storms but also to thrive in their professional journeys has never been stronger.

A recent study by the International Coach Federation (ICF) highlights the undeniable impact of coaching on personal and professional growth. The numbers speak for themselves—a remarkable 70% improvement in work performance, an 80% boost in self-confidence, and a 73% enhancement in relationships for individuals who embraced coaching. This reinforces our belief that coaching is a transformative journey, and at The Career Doctor, LLC, it is a journey centered around you.

Our Chief Coach, Jacquleen, stands poised at the forefront of this transformative experience. Her dedication to tackling the challenges posed by the volatile economy and job market is unwavering. Whether you are navigating a new career direction, seeking elevation in your current role, striving for work/life balance, or even a simple resume refresh, our services are designed to meet your unique needs.

At The Career Doctor, LLC, we take pride in offering flexible solutions—virtual or in-person, group sessions, or personalized 1:1 coaching. We specialize in working with professionals at all levels, with a sweet spot for C-Suite Executives in Sports and Entertainment. The versatility of our services ensures that we can cater to diverse needs, making coaching accessible to all.

One of our proudest achievements is the creation of the Harmony Hive—a testament to Jacquleen’s ingenuity in fostering growth, connection, and empowerment, particularly for African American leaders. This initiative not only imparts knowledge but sets the stage for a future marked by resilience, excellence, and a harmonious balance in both personal and professional realms.

As we embark on this journey together, let us embrace the power of intentional coaching, knowing that it has the potential to shape not just careers, but entire lives. Here’s to a future defined by growth, connection, and unwavering empowerment.

Best regards,

Corporate Training Programs

In the rapidly evolving landscape of 2024, Forbes emphasizes the critical need for corporations to invest in coaching and training. According to their December 29, 2023 article on leadership skills, developing agile decision-making, adaptability, and resilience is paramount. The importance of embracing setbacks, fostering emotional intelligence, building support networks, and focusing on succession planning is highlighted. Additionally, the article underscores the significance of instilling a high-performing organizational culture through empathy, coaching, and mentoring. Addressing the challenges of digital transformation requires leaders with digital fluency and data-driven decision-making skills. In conclusion, Forbes contends that investing in leadership development programs is not just a choice but a necessity for driving growth, resilience, and innovation in the face of adversity.
